MANAGEMENT

Duration: 4 years

Eligibility: XIIth in Arts /
Science / Commerce

BHM BACHELOR OF HOTEL MANAGEMENT

The program is spread over 8 semesters in which student would learn about different avenues and aspects of hotel industry focused on the culinary aspects to gain hands-on skills.

Year 1 : Focus on the fundamentals and concepts of the hotel industry. The program includes a combination of classroom and practical learning with an emphasis on core competencies and general education.

Year 2 : Focus on in-depth hotel core & general education along with free elective subjects.

Year 3 : Mandatory 20 week industrial training in the fifth semester providing hands-on experience to the students. In sixth-semester, students re-join the institute and apply knowledge and exposed specialized subjects to choose as per their choice within the core subjects.

Final Year : Focus more on specialized subjects and project-based learning. Along with these students are provided with electives like food journalism & revenue management. In eighth semester Students would be interviewed and selected for management trainee or hotel operation trainee internship for twenty weeks at star hotels across the country. Students will be awarded a Bachelor of Hotel Management degree after successful completion of the internship.

Objective of the Program

- To learn the nature of Hotel Management as an area of academic and hotel industry.
- To manage core operations, such as food production, food and beverage service and accommodation, facility planning.
- To gain more insights about automation and technology learning into hotel industry.
- To acquire the management disciplines within the context of hospitality and hotel management.
- To meet challenges of hotel industry and its global environment, including issues of sustainability and the use of technology.
- To enhance career development and learning opportunities in the hotel management sector.

THE PROGRAM

The program is structured with a blend of industry and academic requirements together in a purposeful manner to serve the specific purpose of vibrant and constant changing hospitality industry. The prime focus is to develop skilful and innovative minds through emerging changes and technology in hotel industry.
