**Action Taken Plan based on the Parent's Feedback for
Course/Curriculum**

Sr. No	Suggestions from Parents	Action Taken
1.	Important courses like Evidence law, IPC, tax law should be taught at length and in 4th year so that students can use their knowledge to practice while interning, and internship cell should be active, like should take sessions for mock interviews, and cv building and an active internship alert group should be there.	The courses are taught as per the BCI mandate.
2.	Extra-curricular activities should increase.	We will plan more extra-curricular activities in the upcoming academic year.
