Subject: Seed Money Sanction for Project " The use of AI in automated drone navigation for delivery services"

Dear Prof. Uttam Kumar,

We are pleased to inform you that your project proposal titled " The use of AI in automated drone navigation for delivery services" has been approved for funding under the university's seed money initiative. The project is sanctioned for a duration of one year with an amount of ₹1,00,000 (One Lakh Rupees only).

This funding aims to support your research endeavours and facilitate the successful execution of your project. Please ensure that the project is conducted in accordance with the university's guidelines and policies.

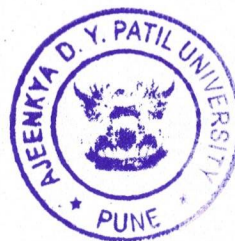

The funds will be released in accordance with the university's financial procedures. Kindly submit the necessary documentation for the disbursement of funds at your earliest convenience.

We wish you the best in your research and look forward to the valuable contributions your project will make.

Best regards,
