Dear Dr. Kulkarni,

Subject: Grant Approval for Research on Elderly Care and Social Isolation.

We are pleased to inform you that your research proposal titled "Elderly Care and Social Isolation: Exploring Challenges and Proposing Community-Based Solutions" has been accepted for funding. Your commitment to addressing the pressing issues faced by the elderly population is commendable and essential for improving their quality of life.

Grant Details

Grant Amount: Rs. 960,000

Project Duration: 28 months

Disbursement Schedule: The grant will be disbursed in three installments:

- **First Installment:** Rs. 420,000 will be released upon submission and approval of your detailed project plan.
- **Second Installment:** Rs. 420,000 will be released after the submission of your mid-term progress report.
- **Final Installment:** Rs. 120,000 will be released upon receipt of your final report and budget reconciliation.

Steps for Fund Utilization

1. **Submission of Project Plan:** Within two weeks of receiving this letter, please submit a detailed project plan that outlines your research methodology, timeline, and a comprehensive budget breakdown detailing how the funds will be allocated.
2. **Mid-Term Progress Report:** A mid-term progress report will be due on [Specify Due Date]. This report should summarize your findings, any challenges faced, and any adjustments made to your research approach.

3. **Final Report:** Upon completion of your study, a comprehensive final report must be submitted. This report should include:
 - An overview of the research objectives and outcomes
 - Detailed findings regarding the challenges faced by the elderly
 - Proposed community-based solutions to enhance care and social engagement
 - A summary of fund utilization
 - Acknowledgment of the funding source in any resulting publications or presentations
4. **Presentation of Findings:** We encourage you to present your findings at our upcoming research symposium, which will facilitate discussions on the implications of your work for community policy and practice.

If you have any questions or require assistance as you undertake this vital research, please do not hesitate to reach out. Your work has the potential to make a significant difference in the lives of the elderly population.

Congratulations once again on your successful proposal! We look forward to seeing the positive impact of your research.

Best regards,

Thanking you,

Yours faithfully,
For **THERMAX LIMITED**
