Dear Dr. Basab Nath,

Subject: Sanction of Project Grant for "**Development of Information Retrieval System for Hospital Management System**" (2021-2023)

We are pleased to inform you that your project proposal titled "**Development of Information Retrieval System for Hospital Management System**" has been approved for funding under the Project Scheme for the financial year 2021-2023.

This project, focusing on the development of an advanced information retrieval system for efficient hospital management, has been thoroughly evaluated by our review committee. The system's potential to enhance data accessibility, streamline hospital operations, and improve patient care has been highly appreciated. We believe this initiative will contribute to the overall modernization of healthcare management.

We are happy to sanction a funding grant of **INR 30 Lakh** for the completion of this project, which is expected to be carried out over a period of 2 years. The sanctioned funds must be utilized in compliance with the guidelines and conditions, and regular progress reports are to be submitted as per the project timeline.

We trust that your expertise and dedication will lead to the successful development and implementation of this system. We are confident that the outcomes of this project will have a significant impact on hospital management practices and healthcare delivery.

We wish you all the best in the successful execution of this project and look forward to updates on its progress.

Thank you.

Director- Chief Executive Officer,

Khairnar Technologies Private Limited
