Subject: Sanction of Major Research Project on "OCT Image Analysis using Deep Learning Techniques"

Dear Dr. Sandeep Sharma,

I am pleased to inform you that your proposal titled "OCT Image Analysis using Deep Learning Techniques" has been reviewed and approved for funding under the Major Research Project scheme. The project aims to explore and develop advanced deep learning methodologies for the analysis of Optical Coherence Tomography (OCT) images, which are crucial in various medical diagnostics, particularly in ophthalmology. This innovative approach seeks to improve the accuracy and efficiency of image interpretation, thereby contributing to enhanced patient outcomes.

Funding Details

- **Total Sanctioned Amount:** 23,50,000/-
- **Duration:** 2021 to 2023

Conditions of Sanction

1. **Project Execution:** The project must commence within the 2nd week of the sanction date.
2. **Progress Reports:** Regular progress reports must be submitted every quarter to monitor the project's advancement.
3. **Final Report:** A comprehensive final report must be submitted within 3 months after project completion.
4. **Budget Utilization:** All expenditures must adhere to the approved budget and be reported accordingly.
5. **Acknowledgement:** Any publication or presentation resulting from this project should acknowledge the support received from Institution/Department.

Congratulations on your achievement!

Regards
