Subject: Sanction Letter for AI-based Smart Healthcare Management System Project

Dear Sir/Madam,

We are pleased to inform you that the project proposal titled "Development of AI-based Smart Healthcare Management System" submitted by the School of Engineering has been approved and sanctioned for implementation. This project will be carried out over a period of two (2) years with a total budget of ₹25,00,000 (Rupees Twenty-Five Lakhs Only).

The sanctioned project is subject to the following conditions:

1. Project Objectives:

- The project shall focus on developing an AI-powered Smart Healthcare Management System to optimize patient care, hospital resource management, and real-time health monitoring.
- The system shall utilize Artificial Intelligence (AI) and Machine Learning (ML) techniques for predictive healthcare analytics, automated diagnosis, and patient scheduling.

2. Project Scope:

- The system will be developed, tested, and deployed in [institution/hospital name], and it is expected to significantly enhance operational efficiency and healthcare quality.

3. Budget Allocation:

- A total budget of ₹25,00,000 has been allocated for the project.

4. Timeline:

- The project duration is sanctioned for 24 months starting from sanction date.

We look forward to seeing the positive impact of this project on healthcare management and patient outcomes.

Should you have any further queries or require additional information, feel free to contact us.

Regards

HR Manager
