Subject: Award of Research Grant for Your Proposal

We are pleased to officially inform you that your research proposal, titled "**Automated Segmentation of Intervertebral Discs in MRI Using Deep Learning Techniques**", has been selected for funding the Research Grant program. Your submission stood out for its potential to significantly contribute to the field of your research area and aligns closely with our commitment to fostering innovation in this domain.

The total amount of **RS. 24,00,000/- (rupees twenty-four lakhs only)** has been allocated to support your research over a one-year period. This grant is designed to cover essential costs such as a list of allowable expenses, e.g., research materials, equipment, data analysis, etc., and will be distributed in accordance with the grant agreement attached to this letter.

We believe that your project holds great promise, and we are excited to support your endeavors throughout the one-year duration. To accept the grant, we kindly request that you review the terms outlined in the attached agreement and return the signed document.

Congratulations on this achievement! We look forward to the progress and outcomes of your work and are proud to contribute to your success over the course of the next one year in this important area of research.

Regards

Yours Truly
