Subject: Notification of Research Grant Award.

We are delighted to inform you that your research proposal titled “**Wind Energy Prediction Using Machine Learning and Deep Learning Approaches**” has been awarded a research grant. Your project was selected based on its innovation, potential impact in the field of your research area, and alignment with our mission to support groundbreaking scientific work. This grant, totaling **Rs. 22,00,000/- (Rupees Twenty-Two Lacks Only)** will be provided to support your research over the course of two years. The grant is intended to cover various aspects of your research. Please refer to the attached document for the detailed terms and conditions governing the use of this grant.

We would like to congratulate you on this accomplishment and are excited to see how your research will contribute to advancements in Image processing and Deep learning. We believe your work has the potential to make a significant difference, and we are proud to support your efforts.

Once again, congratulations! We look forward to your future achievements and wish you great success in your research over the next two years.

Regards.

Yours Truly
