### Objective:

The primary objective of the event was to foster a research culture within the academic community of Ajeenkya D Y Patil University by collaborating with IRAJ, a leading organization that promotes research activities across various fields of study. The event aimed to:

- Provide a platform for students, researchers, and faculty to present their research papers at national and international levels.
- Enhance research capabilities by offering guidance on how to publish in high-quality journals.
- Introduce participants to the benefits of peer-reviewed journals and improve their understanding of the research publication process.
- Encourage interdisciplinary research by connecting researchers from different fields.

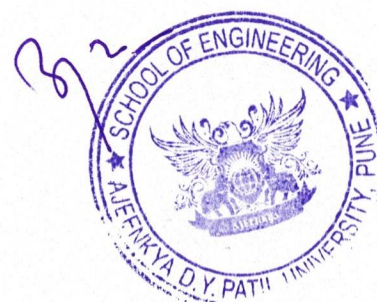

## Event Highlights:

### Outcome:

The event successfully met its objectives, with positive outcomes that include:

1. **Increased Awareness:** Students and faculty gained a clearer understanding of the research publication process, including key steps such as manuscript preparation, journal selection, and navigating peer review.
2. **Research Paper Submissions:** Research papers were submitted to IRAJ for possible publication in their journals. Participants were encouraged to further refine their research for potential publication in leading journals.
3. **Skill Enhancement:** Workshops helped participants improve their writing and analytical skills, essential for crafting well-structured and impactful research papers.
4. **Collaboration Initiatives:** New research collaborations were initiated among faculty and students, resulting in joint proposals for future projects.
5. **Recognition and Awards:** The best research papers were acknowledged with awards, motivating participants to pursue excellence in their academic and research endeavors.
