Activity Report

Event Title: Workshop on Research and Development

Organized by: Pune knowledge clusters in collaboration with Ajeenkya D Y Patil University.

Date: 17th July 2023

Venue: Dental Auditorium, ADYPU

Faculty Coordinator: Dr. Ipsita Swain

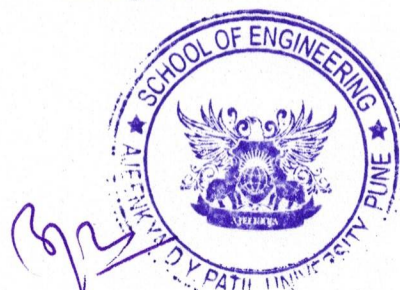

Participants: Students (2nd, 3rd and final year).

Objective:

The primary objective of the workshop was to bring together academia, industry, and research institutions to discuss innovative approaches and collaborative opportunities in the field of research and development. The aim was to facilitate knowledge sharing, explore trends, and identify potential areas for partnerships that could foster impactful research.

Agenda:

- 1. Inauguration and Welcome Address**
 - Introduction by Pune Knowledge Cluster
 - Address by Ajeenkya D Y Patil University Representatives
- 2. Keynote Session**
 - Topic: "Emerging Trends in R&D for Sustainable Innovation"
- 3. Panel Discussion**
 - Theme: "Collaboration between Academia and Industry in Research & Development"
 - Panelists: Experts from academia, industry, and research organizations
- 4. Breakout Sessions**

- **Session 1:** Exploring Funding Opportunities for R&D
 - **Session 2:** Challenges in Translating Research into Industrial Solutions
- 5. Networking and Collaboration Discussion**
- Open forum for attendees to explore partnerships

Outcomes:

- **Increased Awareness:** Participants gained insight into current trends in R&D, especially in sustainable and innovative technologies.
- **Collaboration Opportunities:** The workshop fostered dialogues between academia, industry, and research bodies, paving the way for future collaborations.
- **Actionable Insights:** Breakout sessions identified key challenges and potential strategies to overcome hurdles in the R&D sector.
- **Partnerships:** Several participants initiated discussions for potential research partnerships and joint projects, strengthening the link between academia and industry.
