## Activity Report

**Event Title:** FDP on Innovative Ways of Teaching.

**Organized by:** KNR EDU services Pvt Ltd (Unacademy) in collaboration with Ajeenkya D Y Patil University.

**Date:** 12 Sept to 16 Sept 2022

**Venue:** Seminar hall, 507, ADYPU

**Faculty Coordinator:** Dr. Prashik Ramteke

**Participants:** Faculties, Research Scholar.

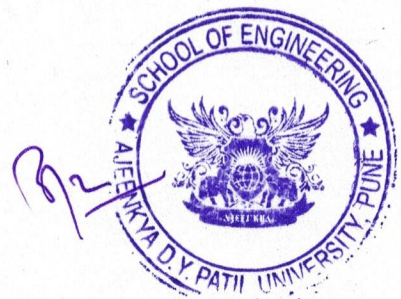

### Objective:

The primary objective of the FDP on "Innovative Ways of Teaching" was to empower educators with cutting-edge teaching methodologies and tools that enhance student engagement and learning outcomes. The program aimed to explore new approaches in pedagogy, utilizing technology, and adapting to diverse learning styles to create a more dynamic and interactive classroom experience.

### Agenda:

#### Agenda

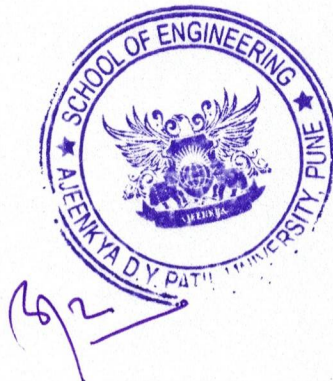

- 1. Introduction to Modern Pedagogical Approaches**
  - Overview of innovative teaching strategies
  - Adapting to the digital classroom
- 2. Technological Tools for Education**
  - Using educational platforms and software for better student engagement
  - Integrating AI and gamification in teaching

3. **Blended Learning Techniques**
  - Combining traditional and digital teaching methods
  - Case studies of successful blended learning models
4. **Assessment and Feedback Mechanisms**
  - New ways to assess student performance
  - Real-time feedback systems for continuous improvement
5. **Panel Discussion and Q&A**
  - Interactive session with experts from Unacademy and Ajeenkya D Y Patil University
6. **Conclusion and Certification Ceremony**

**Outcomes:**

1. **Enhanced Teaching Skills:** Participants gained practical knowledge on implementing innovative teaching techniques that cater to diverse learning styles, improving their overall teaching effectiveness.
2. **Technological Competency:** Faculty members were introduced to various digital tools and platforms that can be seamlessly integrated into their teaching practices.
3. **Improved Student Engagement:** The FDP provided insights into making classroom sessions more interactive and engaging, leading to better student participation and understanding.
4. **Application of Blended Learning:** Faculty learned how to effectively combine traditional teaching methods with digital approaches for a comprehensive learning experience.
5. **Networking Opportunities:** Participants had the chance to connect with experts from KNR EDU Services (Unacademy) and Ajeenkya D Y Patil University, fostering future collaborations and knowledge exchange.
