Activity Report

Event Title: Seminar: Presentation Skill Development

Organized by: Rubicon Skill Development in collaboration with Ajeenkya D Y Patil University

Date: 10 March 2023

Venue: Computer lab SOE, ADYPU

Faculty Coordinator: Dr. Vishal

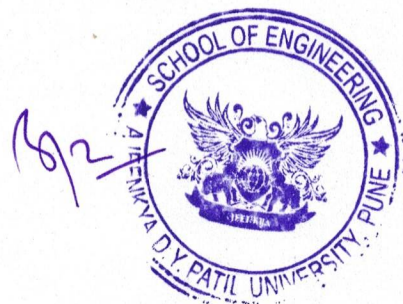

Participants: Students and Faculties of SOE

Objective:

The primary objective of the seminar was to enhance students' presentation skills, focusing on public speaking, effective communication, and the use of visual aids. The seminar aimed to equip participants with the necessary tools to deliver impactful presentations in academic and professional settings.

Agenda:

- 1. Introduction to Presentation Skills:**
Basics of structuring a presentation and identifying key messages.
- 2. Public Speaking Techniques:**
Strategies to overcome stage fear, develop confidence, and engage the audience.
- 3. Effective Use of Visual Aids:**
How to use PowerPoint slides, charts, and videos to reinforce messages.
- 4. Body Language and Voice Modulation:**
The importance of non-verbal communication and vocal variety in presentations.
- 5. Interactive-Workshop:**

Hands-on session where participants practiced delivering presentations and received feedback.

Outcomes:

- **Improved Presentation Techniques:**
Participants gained insights into structuring their presentations more effectively and engaging their audience.
- **Increased Confidence:**
The interactive workshop helped attendees overcome public speaking anxiety, boosting their confidence.
- **Practical Experience:**
Participants practiced their presentations, received constructive feedback, and learned how to refine their delivery.
- **Better Communication Skills:**
The seminar enhanced students' ability to articulate their thoughts clearly and persuasively in a professional setting.
