

# Faculty Research Promotion & Incentives Policy

**AJEENKYA** | THE INNOVATION  
D Y PATIL UNIVERSITY | UNIVERSITY

AUGUST 1, 2022

## Introduction

At Ajeenkya DY Patil University, we focus on 'Innovation' where we strive to solve complex global & local problems by way of discovering sustainable solutions. As a university, research forms a robust backbone for enhancement of quality-oriented teaching-learning. Every faculty, student and scholar of Ajeenkya DY Patil University are encouraged to collectively focus on problems of global significance and provide innovative and impactful solutions. For which, a conducive research environment is essential for all faculty and scholars from all academic disciplines to collaborate and create the most compelling interdisciplinary research experiences. The policy document summarizes various research incentives to promote a robust and stimulating research culture among all internal stakeholders.

## Aims & Objectives

The policy applies to all the faculty from varied ADYPU Schools for the promotion of conducive research environment:

- a) To motivate the faculty to pursue any form of research-driven activities.
- b) To publish research papers in national and international journals of repute with high impact factor and attain highest number of citations.
- c) To file and publish patents having good commercialization potential through collaborative academia-industry consulting projects.
- d) To encourage faculty to author books, book chapters, monographs etc. in national and international academic publishing books of repute.
- e) To encourage faculty members to take up collaborative academic research projects with top ranking Indian and global universities.
- f) To encourage the faculty to submit research proposals and seek research funding opportunities with leading universities and research organizations.

## Expected Outcomes

- a) To promote quality-oriented research and innovation activities in the sphere of ADYPU Research sub-themes which are enlisted below:
  - i. Technology for the Futures
  - ii. Digital Futures
  - iii. Entrepreneurship & Innovation
  - iv. Healthcare & Well-being
  - v. Community & Livable Societies
- b) To contribute to the new frontiers of knowledge and contribute to nation building by way of patents & copyrights.

## Eligibility

- a) All full-time teaching and research staff on the rolls of Ajeenkya DY Patil University are eligible.
- b) For calculation of incentives, the start and end dates shall be defined by ADYPU Academic Calendar, i.e. August 1 to July 31 every year.
- c) Any research award, grant, cash incentive or leave benefits is a privilege offered by the University. It cannot be claimed as a right.
- d) All the achievements requested for incentives should bear the affiliation of 'Ajeenkya DY Patil University' for research-driven projects. It comprises of the following aspects:
  - i. Publication
  - ii. Book Chapters
  - iii. Book (E-book/Hard copy)
  - iv. Monographs
  - v. Patent & Copyright
  - vi. External Funded Research Project
  - vii. Presented/invited as Guest speakers for research national and international conferences.
  - viii. Chairperson for technical sessions in renowned academic conferences.
- e) All incentives and benefits shall lapse if the faculty member resigns from the University.
- f) For any research project, which is done in collaboration with other University or research organization, only ADYPU faculty members shall be entitled for Research incentives. The external member shall not be entitled for any benefits.
- g) The policy can be withdrawn or changed at any point without any formal notice. The University reserves the right to modify or amend or delete wholly or partially at any given point of time.
- h) The decision of the Research Promotion and Incentive Committee (RPIC) shall be final.

## Research Promotion and Incentive Committee (RPIC)

ADYPU Research Promotion & Incentive Committee shall comprise of the following members who shall conduct quarterly meeting and submits its final recommendations to the Vice Chancellor for final approval.

The composition of the Committee is as under:

- i. Dean-Research
- ii. HOS-ADYPU School of Doctoral Studies
- iii. Lead Coordinator-IQAC Committee
- iv. Representative of the Finance & Planning Division
- v. Registrar

The Committee may seek the expertise of Heads of the Schools in case of any specific discussions pertaining to research. The main role and responsibility of the committee is to set determine high standards in terms of quality of research publications, grants, projects and participation in leading academic national and international conferences. The Committee shall time to time suggest attractive incentives for the promotion of research.

### **Incentives for Research Publications & Projects**

To achieve the objectives of this Policy, ADYPU firmly believes in motivating the faculty, students and scholars to undertake active research publications, projects and allied research activities.

#### **Research Publications**
