NSS Activity Report

Activity Name: Oral health check-up

Date & Time: 20/03/2013 9:00 am to 2:00 pm

Venue: Vishnavi Primary / Secondary School, Ramnagar Lohegaon, Pune 411047

Objectives of the Activity

The objective of the oral health check-up was to promote oral health awareness among school children and identify any dental problems that require immediate attention.

Execution of Activity/ Proceedings (In detail):

Pre-check-up education session: Before the check-up, the dental team conducted a brief education session for the children, explaining the importance of oral hygiene and how to take care of their teeth and gums.

Check-up process: The dental team conducted a comprehensive oral examination for each child, including a visual inspection of the mouth, teeth, and gums. They also checked for signs of cavities, gum disease, and other oral health problems.

Oral hygiene demonstration: After the check-up, the dental team demonstrated the proper way to brush and floss teeth, and answered any questions the children had about oral hygiene.

Referral and treatment: If any children were identified with dental problems that required treatment, the dental team referred them to a dental clinic for follow-up care.

The NSS team provided the children's toothpaste and toothbrush for oral health and hygiene to take home.

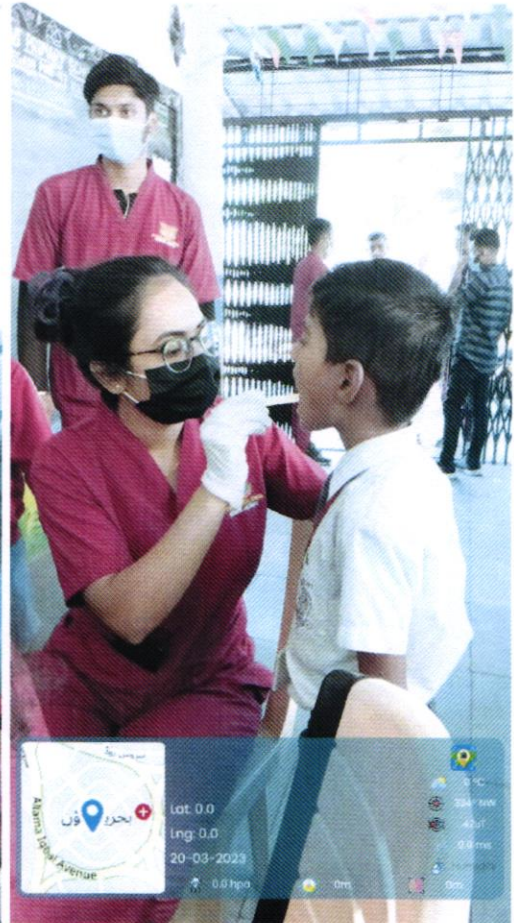

Outcomes

Out of the 350 students, 94% were found to have good oral health, while 6% were identified with one or more dental problems that required follow-up care.

The most common dental problems identified were cavities, followed by gum disease and tooth decay.

NSS Activity Report

Activity Name: Poster Competition on World Water Day

Date & Time: 21/03/2013 11:00 am to 3:00 pm

Venue: Scale Up S1, ULC , Ajeenkya DY Patil University

Objectives of the Activity

1. To create awareness among students the importance of conserving water
2. To bring out the ideas from the students through a competition on conserving water

Execution of Activity/ Proceedings (In detail):

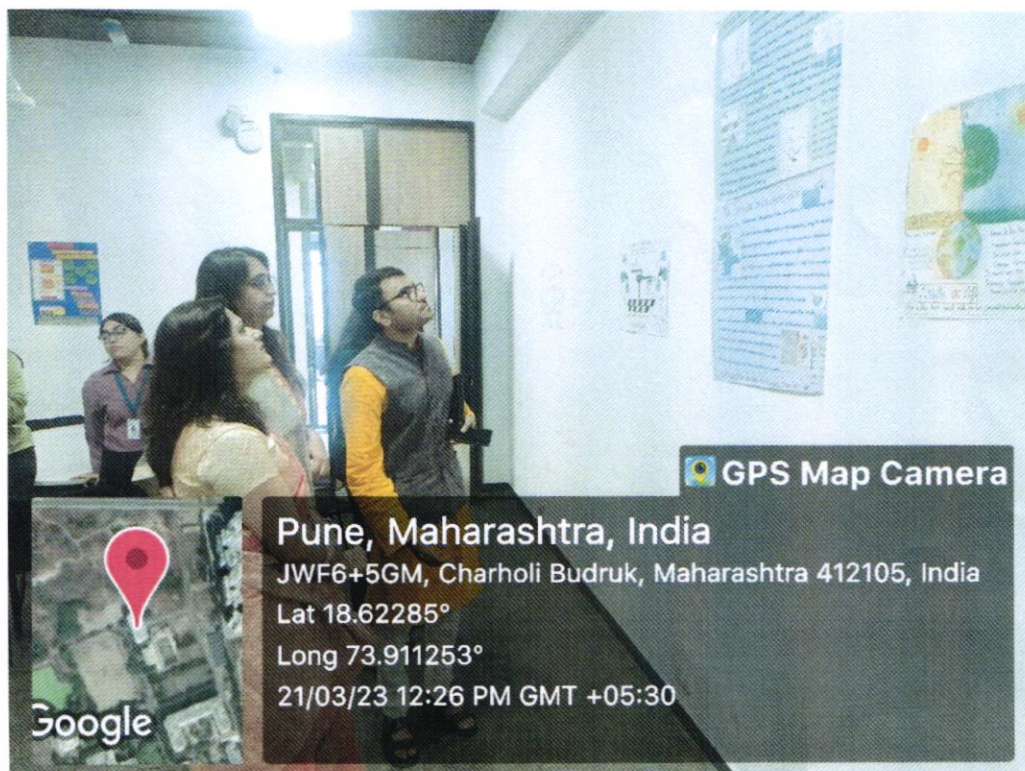

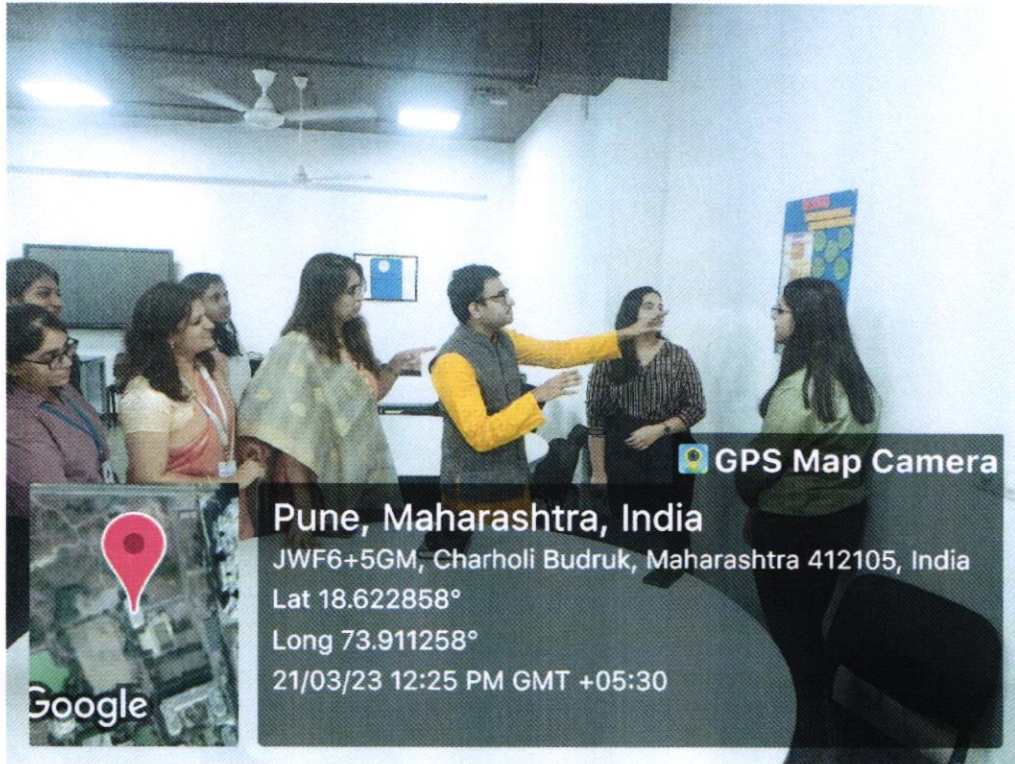

An inter-university competition was held among students on ideas to conserve water. Students from all schools to part in the poster making competition. The jury members picked up ideas on the basis of its usability and viability. The school of Engineering win the 1st price followed by the School of Management 2nd price and School of Law 3rd price. 13 entries were part of the competition

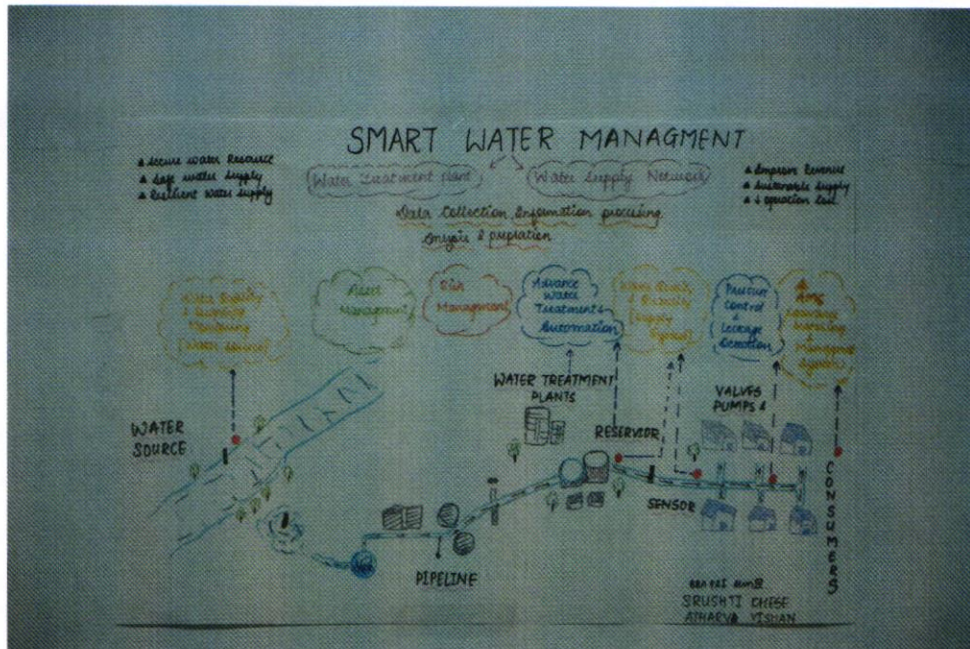

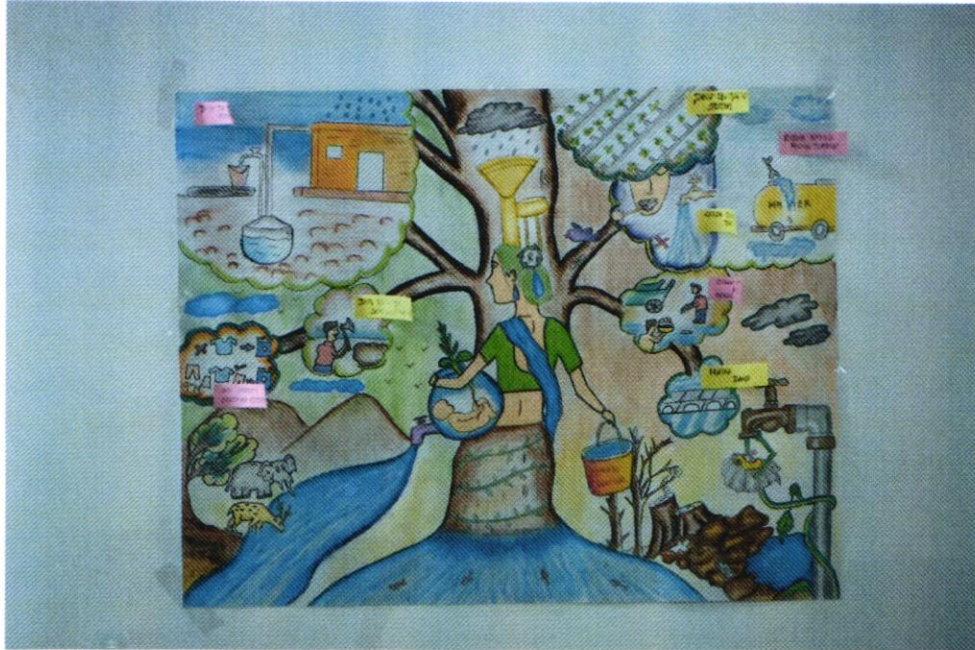

Outcomes

1. It was very interesting event with variety of ideas.
2. It was an insightful event here participants got ample scope to improvise their ideas and rework in it fitting the market demand.
3. Students came up with creative ideas to solve real- world problems to conserve water.
4. They had the chance to learn teamwork, build confidence, work on overall presentation, and communication skills.
5. They got the chance to get connected with the jury for social media and other form of promotion.

NSS Activity Report

Activity Name: Clean up Drive and Create Awareness under Warje Nallah Rejuvenation Project

Date & Time: 26/03/2023, At 07:00 am to 12:00 pm

Venue: Warje (Google Location: <https://goo.gl/maps/kHFpuLyGUWoprgTYA>)

Objectives of the Activity

- To create awareness about cleanliness.
- To talk to locals and residents regarding solid waste management.
- To stop the dumping in the nallah.

Execution of Activity/ Proceedings (In detail):

A clean-up drive and awareness campaign under the Warje Nallah Rejuvenation Project was organised by our NSS unit, Ajeenkya D Y Patil University, on 26.3.2023, to fulfil the objectives of the activities, such as creating awareness about cleanliness, talking to locals and residents regarding solid waste management, and stopping the dumping in the nallah. The activity was conducted by NSS students to contribute to society and the people living in Warje. The students interacted with the people to maintain hygiene in the local areas and raise awareness among them by cleaning the area. It was a great opportunity for the students to actively interact with society. The activity was collaborative with other agencies.

Outcomes

NSS students helped the people to maintain cleanliness and created awareness about it.

Safe Blood Saves Lives

Give Blood and Make World a Healthier Place

Date:26/03/2023

NSS Activity Report

Activity Name: Blood Donation Camp

Date&Time: 11/04/2023 9:00 am to 5:00 pm

Venue: Mini Auditorium, ULC Building, Ajeenkya DY Patil University, Pune,411047

Objectives of the Activity

To collect blood units but also to make students aware about blood and its benefits. It was an effort to motivate students to come forward and donate for this noble cause. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too. To help anyone, in case of any requirement for blood.

Execution of Activity/ Proceedings (In detail):

A Blood donation camp was organized by our NSS unit, in collaboration with Sassoon Hospital Blood Bank,Pune,through which more than 143 units of blood was donated by both students and the staff members of our Ajeenkya DY Patil University, Pune. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Outcomes

One hundred forty-three participants donated blood in this blood donation camp.

NSS Activity Report

Activity Name: Legal Aid

Date & Time: 13/04/2023 2:30 pm to 6:30 pm

Venue: Charoli Badhruk (Kalaje-wadi) Village (Lohegaon-Pune) 412105

Objectives of the Activity

The objective of the visit was to spread awareness among the Villagers for their legal rights.

Execution of Activity/ Proceedings

The Sr. Advocate (Prof) Sambhajirao Mohite and the members of the Committee and a few selected students from the *School of Law* were engaged in creating awareness about various legal rights and duties under the Constitution, the Right to Information Act, the Indian Motor Vehicles Act and the Consumer Protection Act. This program ensured that youngsters were made aware of their legal rights and the ways in which remedies are provided under these Legislations.

Outcomes

The NSS camp was a great success in terms of achieving its objectives. The students (Volunteers) were able to serve their communities and make a positive impact. The leadership development workshops helped students develop important skills that will be useful throughout their lives. The team-building exercises also helped to foster a sense of teamwork and cooperation among the students.

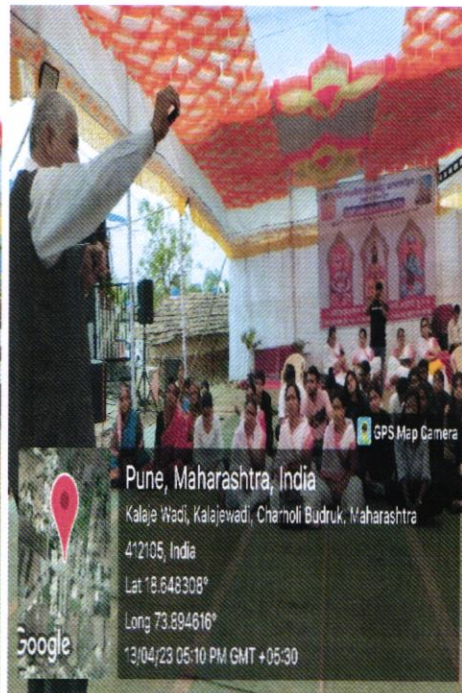

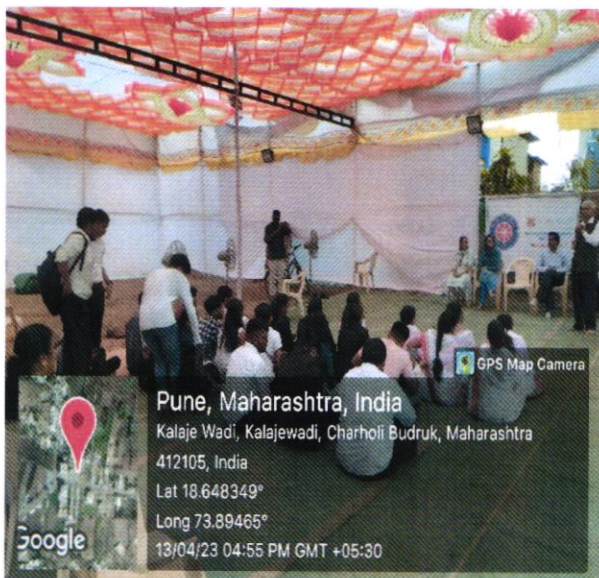

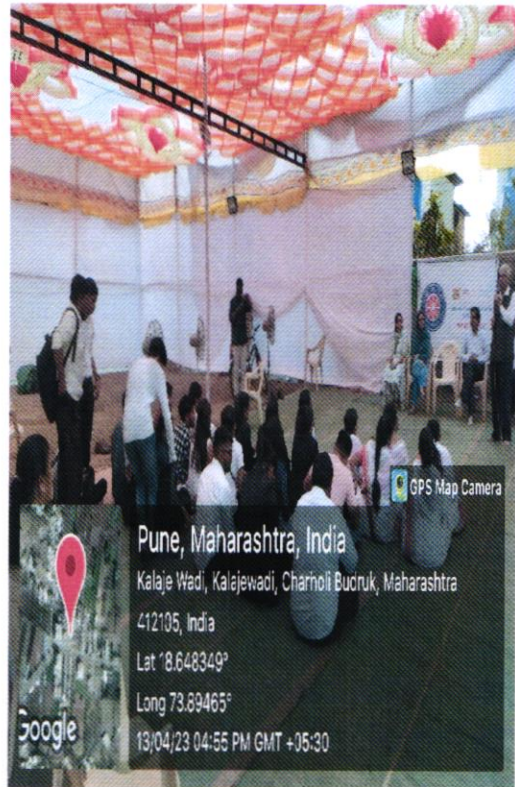

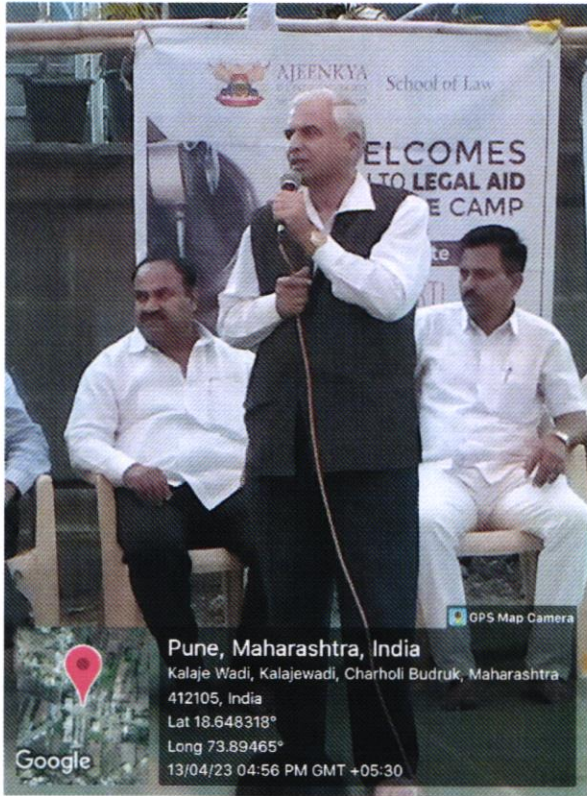

Glimpses of the Activity

In conclusion, the NSS camp organized by (*Ajeenkya DY Patil University*) was a great success and a valuable experience for the students. The camp helped to instill a sense of social responsibility and community service among the students and provided them with important life skills. The school plans to continue organizing NSS camps in the future to provide its students with more opportunities to serve their communities in awareness about Legal aid and to develop their leadership skills.

NSS Activity Report

Activity Name: Riverside Clean up drive

Date & Time: 16/04/2013 7:00 am to 1:00 pm

Venue: Khilarevadi Vasti, Erandwane, Pune - 411004

Objectives of the Activity

The objective of the clean-up drive was to spread awareness of making our rivers and their importance in our lives

Execution of Activity/ Proceedings (In detail):

Pre-Clean-up activity: When we reach there we are provided with T-shirts and caps to avoid the sunlight. Before the clean-up drive activity, the organizers gathered us and told us about the Mutha River and how people throw garbage in the river and pollute the river. They explain the importance of rivers in our lives. They also conduct a warm-up session before the clean-up activity.

Clean-up activity: For the clean-up drive the organizers divided us into groups and allotted each group a particular area so that the cleaning could be done properly. They provided us with big garbage bags in which we can collect garbage

Post-clean-up activity: After the clean-up activity they provided us with snacks and water. We did also a photo session with everyone. Everyone determined not to throw garbage at the riverside.

Outcomes

Almost a total of 200-300 volunteers took part in the clean-up drive.

The conditions of the riverside where we did the activity were very different before and after the activity. Everyone felt very pleased to willingly invest our time there for environmental conservation.

Earth Day Celebration-2023

Activities

22nd April 2023 | 7:30 AM to 9:00 AM

- Tree Plantation
- Clean-Up Drive
- Poster/Slogan Making Competition on Earth Day

NSS Activity Report

Activity Name: Earth Day Celebration - 2023

Date & Time: 22nd April 2023 | 7:00 AM to

1:00 PM Venue: ADYPU Main Entrance Gate

Objectives of the Activity

Ajeenkya D Y Patil University, NSS unit celebrates activity to -

1] To build environmental stewardship and teach students the importance of reducing, reusing, and recycling to decrease the amount of waste we produce. They will also learn that litter in the environment can impact air, water, soil, and wildlife.

2] To save the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings.

Execution of Activity/ Proceedings (In detail):

The clean-up drive, tree plantation, and poster/slogan-making competition were held on April 22, 2023, to celebrate International Earth Day. The event was organized by the NSS – CELL OF ADYPU. The main objective of the event was to raise awareness about environmental issues and promote a cleaner and greener Earth.

Clean-up Drive:

The clean-up drive began at 7:45 am, with volunteers of NSS, faculty coordinators, and other participants. Everyone together started the cleaning work from the foot of the mountain. Participants collected plastic bags, glass bottles, and a lot of other garbage. The clean-up drive was a success, and a significant amount of waste was collected.

Tree Plantation:

After the clean-up drive, the tree plantation activity began. The participants planted trees in the foothill under the supervision of faculty coordinators and volunteers. The activity was well received, and many participants joined in. The tree plantation activity was an essential part of the event, as it helped to improve air quality and promote biodiversity in the city.

Poster/Slogan-making Competition:

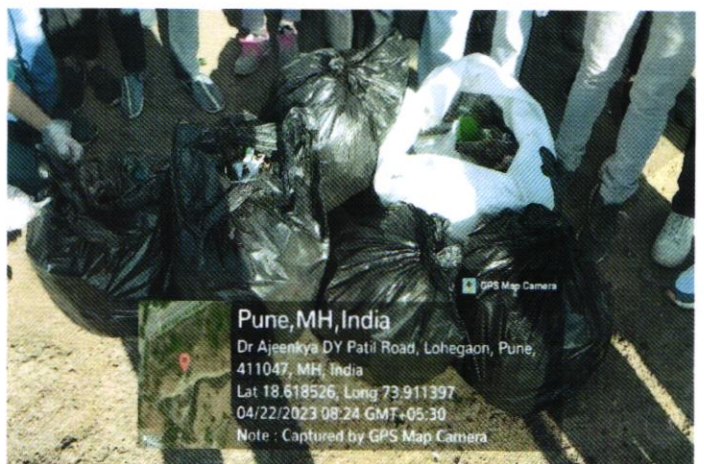

The poster/slogan-making competition was held after the tree plantation activity. The competition was open to all ages, and participants were encouraged to create posters and slogans that promoted environmental awareness. The theme of the competition was "INVEST IN OUR PLANET," and the participants were asked to use their creativity to convey their message. The competition was judged by our faculty coordinators, and the winners were announced at the end of the event.

Outcomes

1. Get Out innovative ideas from Students.
2. How to make the best thing out of Waste.

NSS Activity Report

Activity Name: No Tobacco Day Awareness campaign

Date & Time: 31/05/2013 10:30 am to 2:30 pm

Venue: Lawn Area, Near Dental Canteen , Ajeenkya DY Patil University

Objectives of the Activity

1. To create awareness among students regarding hazards of tobacco.
2. To bring out positive impact amongst students.

Execution of Activity/ Proceedings (In detail):

This activity was conducted in Collaboration with Ajeenkya DY Patil Dental School. Students from dental school made 3-D Model which illustrates how tobacco is harmful to the human body as well as nature.

Principal of dental school, Mr. Anand Shigli, Vice Chancellor, ADYPU, Mr. H. Deshpande, and Director NSS, Ajeenkya DY Patil University inaugurated the event followed by a Demonstration by Dental Students how Tobacco causes harm to our oral health. The activity had an audience from all over the campus.

Outcomes

The celebration of No Tobacco Day raises public awareness about the dangers of tobacco use, encouraging people to quit or avoid smoking. It also advocates for stronger tobacco control policies and provides support for smokers looking to quit, promoting healthier communities

NSS Activity Report

Activity Name: Tree Plantation on the Occasion of Environment Day

Date & Time: 05/06/2023 9:30 am to 1:30 pm

Venue: ADYPU Near ULC Building

Objectives of the Activity

The objective of the tree plantation activity was to celebrate Environment Day by promoting environmental awareness and taking concrete actions towards conserving nature.

The specific objectives included:

Promoting the importance of trees in mitigating climate change and improving air quality.

Encouraging community participation in environmental conservation efforts.

Enhancing the beauty and ecological value of the ADYPU through tree plantation.

Educating participants about the significance of preserving our natural resources.

Execution of Activity/ Proceedings (In detail):

The event commenced at 11:00 AM with a short opening ceremony, including speeches from Professor Shital Solanki (Director NSS Unit). highlighting the significance of tree plantation.

A demonstration on proper tree planting techniques was conducted to ensure that participants planted the saplings correctly.

Volunteers were assigned to assist participants, providing them with necessary tools such as shovels, gloves, and watering cans.

Participants were divided into groups and assigned designated areas within the campus for plantation.

Each group was provided with a variety of tree saplings, including indigenous species suitable for the local ecosystem.

Participants planted the saplings in pre-dug pits, ensuring proper spacing and depth.

The event was accompanied by educational displays and interactive sessions on environmental conservation, sustainable living, and the benefits of trees.

Outcomes

Tree Plantation:

A total of 100 tree saplings were planted during the event, including species like Neem, Mango, Gulmohar, and Peepal.

The diverse selection of trees aimed to enhance biodiversity and create a more resilient ecosystem within the park.

Community Engagement:

Over 70 participants, including students, teaching, and non-teaching staff, actively took part in the tree plantation activity.

The event fostered a sense of community and collective responsibility towards the environment.

Environmental Awareness:

The event successfully raised awareness about the importance of trees in mitigating climate change, improving air quality, and preserving biodiversity.

Participants gained knowledge about sustainable practices, such as water conservation, waste reduction, and wildlife conservation.

Ecological Impact:

The planted trees will contribute to the campus green cover, providing shade, habitat for birds and insects, and improving air quality.

Over time, the trees will sequester carbon dioxide, helping combat climate change.

Long-term Sustainability:

The event served as a catalyst for continued environmental action, inspiring participants to engage in further tree plantation initiatives, adopt sustainable lifestyles, and advocate for environmental conservation.

In conclusion, the tree plantation activity on the occasion of Environment Day successfully achieved its objectives by promoting environmental awareness, engaging the community, and enhancing the

ecological value of campus. The event's positive outcomes will contribute to a healthier and more sustainable environment for both present and future generations.

NSS Activity Report

Activity Name: "Webinar on Plastic Waste Management"

Date & Time: 26th June 2023 11 AM to 1:00 PM

Venue: ULC Building S1 [Zoom Meeting]

Objectives of the Activity

Ajeenkya D Y Patil University-NSS unit celebrates the activity to:

- 1. Raise awareness:** The primary objective of the webinar is to raise awareness about the critical issue of plastic waste management. It aims to educate participants about the detrimental impacts of plastic waste on the environment, human health, and wildlife.
- 2. Share knowledge and best practices:** The webinar aims to serve as a platform for sharing knowledge and best practices in plastic waste management. Experts and professionals in the field will present their insights, experiences, and innovative approaches to handling plastic waste.
- 3. Explore sustainable solutions:** The webinar seeks to explore sustainable solutions for managing plastic waste. It will highlight various strategies such as recycling, waste reduction, waste-to-energy conversion, and the use of alternative materials.
- 4. Empower individuals for action:** The webinar intends to empower individuals to take action in their personal lives, communities, and workplaces. It will provide practical tips, guidelines, and tools for reducing plastic waste and implementing sustainable practices.
- 5. Policy advocacy:** The webinar will also address the importance of policy advocacy in plastic waste management. It will highlight the need for robust policies and regulations at the local, national, and international levels to effectively address the plastic waste problem.

Execution of Activity/ Proceedings (In detail):

The webinar was hosted by Vinod Bodhankar, founder of Sagarmitra Abhiyaan, Pune from ADYPU ULC Building S1 on the Zoom platform. Vinod Bodhankar Sir shared informative presentations and videos to educate participants about the impact of plastic waste. They facilitated interactive discussions and Q&A sessions to engage the audience. Practical tips and strategies for reducing plastic waste were provided, and participants were encouraged

to share their ideas and experiences. The webinar successfully created awareness and motivated individuals to take action against plastic pollution.

Outcomes

1. **Increased Awareness:** The webinar successfully raised awareness about the magnitude of the plastic waste problem and its impact on the environment. Participants gained a better understanding of the need for effective plastic waste management.
2. **Sharing Best Practices:** Experts and industry leaders shared their insights and best practices in plastic waste management. Participants learned about innovative recycling techniques, reduction strategies, and initiatives to promote responsible plastic consumption.
3. **Policy Discussions:** The webinar facilitated discussions on policy frameworks and regulations related to plastic waste management. Participants exchanged ideas on implementing effective policies at local, regional, and national levels to reduce plastic pollution.
4. **Collaboration Opportunities:** Attendees, including representatives from various sectors, had the chance to connect and explore collaboration opportunities. Businesses, NGOs, and government entities discussed potential partnerships to address plastic waste management collectively.
5. **Educational Resources:** The webinar provided access to educational resources and tools for individuals, organizations, and communities interested in implementing plastic waste management practices. These resources included guidelines, case studies, and online platforms for further learning.
6. **Public Engagement:** The webinar generated significant public engagement, with participants expressing their commitment to promoting plastic waste management. Social media campaigns and awareness drives were initiated, creating a ripple effect that extended beyond the webinar itself.

Overall, the plastic waste management webinar served as a catalyst for change, fostering collaboration, inspiring action, and equipping participants with the knowledge and resources needed to tackle the plastic waste crisis.

Date: 27/07/2023

NSS Activity Report

Activity Name: Tree Plantation Drive on the Occasion of Welcoming new batch.

Date & Time: 27/07/2023 09:00 am to 3:00 pm

Venue: ADYPU Campus, Open air theatre, Behind ULC Building.

Objectives of the Activity

The objective of the tree plantation activity was to celebrate the starting of academic journey for the newly joined batch.

Every student from the foundation batch planted one tree and will be nurturing it for the next four years. The tree was tagged by students' name which will evoke sense of ownership and responsibility towards the tree and nature.

Execution of Activity/ Proceedings (In detail):

The event commenced at 02:00 PM with a short opening ceremony, including short speeches from faculty's from School of design about the objective of the drive and each students responsibility towards nature.

A demonstration on proper tree planting techniques was conducted to ensure that participants planted the saplings correctly.

Students were handed over saplings along with tags.

Participants were divided into groups and assigned designated areas within the campus for plantation.

Each group was provided with a variety of tree saplings, including indigenous species suitable for the local ecosystem.

Participants planted the saplings in pre-dug pits, ensuring proper spacing and depth.

Student name Tag's were mounted on the sapling as demonstrated.

After plantation, demonstration for making a fencing around the sapling was given to students.

Students were handed over bamboo sticks, jute rope for fencing and were assisted by the non-teaching faculty to carry out the task.

Outcomes

Tree Plantation:

A total of 60 tree saplings were planted during the event, including species like Jamun, Tamarind, Arjun, Karmal, Kanchan, Mahogani, Bakul, Umbar and Amla.

The diverse selection of trees aimed to enhance biodiversity and create a more resilient ecosystem within the university campus.

Sence of social responsibility:

The drive evoked a sense of responsibility within each student towards the tree and ultimately towards environment as they pledged to nurture the tree for the years to come.

Soil Erosion Prevention:

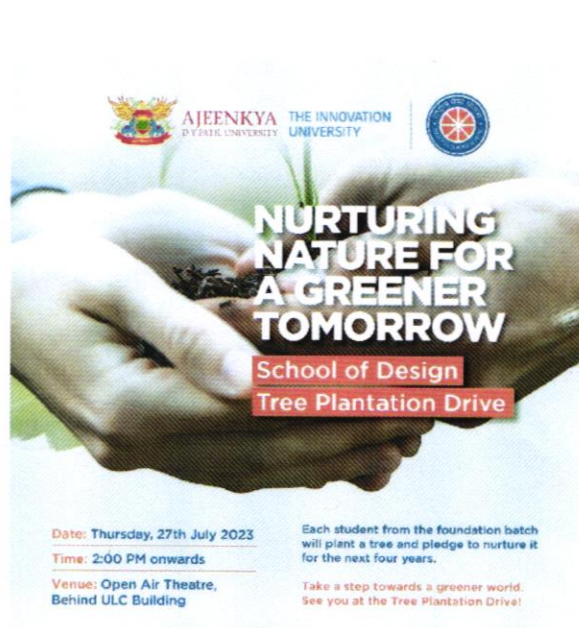

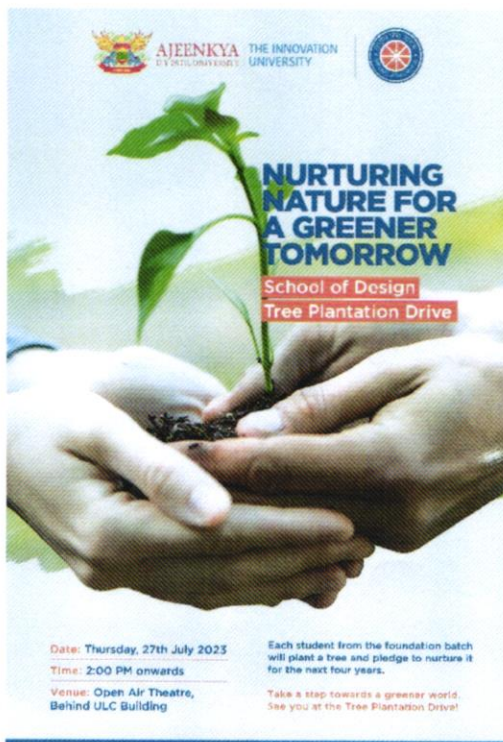

Planting trees helps prevent soil erosion by stabilizing the soil with their roots, reducing the risk of landslides and protecting valuable topsoil.

Community Engagement and Education:

Another objective of tree plantation drives is to involve the community in environmental initiatives and raise awareness about the importance of trees and their benefits. Such drives can inspire individuals to take action and care for the environment.

NSS Activity Report

Activity Name: World Conservation Day- Awareness Drive.

Date & Time: 28/07/2023 10:30 pm to 01:30 pm

Venue: Unity Circle, ADYPU Campus.

Objectives of the Activity

The objective of a World Conservation Day awareness drive is to promote the sustainable use of natural resources and raise awareness about the importance of preserving biodiversity. It aims to inspire individuals and communities to take action in protecting the environment and combating issues like deforestation, pollution, and climate change.

Execution of Activity/ Proceedings (In detail):

The event commenced at 10:30 AM with a short opening ceremony, including short speeches from faculty's from Director NSS, about the objective of the drive and each students responsibility towards nature.

This Activity Was conducted in Collaboration with Kaveri International School.

Outcomes

The outcome of a World Conservation Day awareness drive can lead to increased public engagement in conservation efforts and more sustainable lifestyle choices. It may also drive policy changes and strengthen community initiatives focused on protecting natural resources and biodiversity.
