Keywords

Place here five to seven important keywords used in your article.

*Corresponding Author

Email: Email address of corresponding author

ABSTRACT

Abstract is must for any research paper and article. It is the important short representation about your article. The abstract of the paper must not increase 750 words. Font type used in abstract is **Arial and Font Size 8.5**

1. Main Title/ Point (Arial-9.5)

Here introduce the paper, and put a important text if necessary, in a box with the same font size as the rest of the paper. The paragraphs continue from here and are only separated by headings, sub-headings, images and formulae. The section headings are arranged by numbers, bold and 9.5 pt. **Arial Fonts**

Here introduce the paper, and put a important text if necessary, in a box with the same font size as the rest of the paper. The paragraphs continue from here and are only separated by headings, sub-headings, images and formulae. The section headings are arranged by numbers, bold and 9.5 pt. **Arial Fonts**

1.1. Sub heading or sub title (Arial-9.5)

Here introduce the paper, and put a important text if necessary, in a box with the same font size as the rest of the paper. The paragraphs continue from here and are only separated by headings, sub-headings, images and formulae. The section headings are arranged by numbers, bold and 9.5 pt. **Arial Fonts**

Here introduce the paper, and put a important text if necessary, in a box with the same font size as the rest of the paper. The paragraphs continue from here and are only separated by headings, sub-headings, images and formulae. The section headings are arranged by numbers, bold and 9.5 pt. **Arial Fonts**

Table-1
Title of the table

Font	Arial	Arial fonts
------	--------------	--------------------

Size-8	R	U	T	R	U	T
1252	50.1	31.8	44.3	320.6	74.5	403.7
1421	41.8	25.7	37.2	326.3	80.8	407.1
15441	25.7	13.7	21.9	216.5	52.8	269.3

Source: source should be written in italic text with font size 8

2. If your main titles have bullet points

- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9
- Put bullet point in arial font with font size 9

3. Conclusion

Here introduce the paper, and put a important text if necessary, in a box with the same font size as the rest of the paper. The paragraphs continue from here and are only separated by headings, sub-headings, images and formulae. The section headings are arranged by numbers, bold and 9.5 pt. **Arial Fonts**
