Imagery does he use to communicate his message?

(5)

Q 4. Brief summary of the stanza given below and name the poem and the Author

'the dark hooded hunter watches aware of the
video perfect architecture as much in the
scene as the scene is in her as in the seeing as
the seeing is in her while snow accumulates
gently on her hood

as the snow uses the hood to accumulate

as the hood finds itself covering while itself being covered

how beautiful is all this sublime as in
inspiring awe while awe uses sublime
to be inspired as beauty accumulates
inspiration' existing in a world of things

which use the world to exist

(10)
