THE INNOVATION
UNIVERSITY

TABLE OF
CONTENTS

FROM THE
PRESIDENT'S DESK

As we gather the threads of another academic year, it's with immense pride and gratitude I express. The past year has been a testament to our collective resilience, innovation, and unwavering commitment to excellence.

In the face of challenges, our university community has persevered and thrived. Our faculty members have continued to inspire with their dedication to teaching and research. Their resilience in adapting to new modes of education and their commitment to nurturing the minds of our students are truly commendable.

Our commitment to research and innovation has seen remarkable strides. The numerous collaborations, research publications, and groundbreaking projects underscore our dedication to pushing the boundaries of knowledge. It's heartening to witness our university community contributing meaningfully to the academic discourse and making a positive impact on society. Our alumni continue to be a source of pride, achieving milestones and making a difference in various fields. Their successes reflect the foundation laid during their time at our institution, and we celebrate each of their accomplishments.

As we look ahead, the horizon is filled with promise. The challenges we face are growth opportunities, and I am confident that, we will overcome these challenges. Our commitment to providing a transformative education that prepares our students not just for their careers but for life remains unwavering.

May the upcoming year be filled with discoveries, shared accomplishments, and a continued sense of community. Here's to the pursuit of knowledge, the spirit of innovation, and the shared journey toward excellence.

Dr Ajeenkya D Y Patil
President
Ajeenkya DY Patil University

FROM THE
VICE CHANCELLOR'S DESK

As we reflect on the achievements and milestones of the past year, I am filled with a profound sense of pride and gratitude for the remarkable journey we have undertaken as an innovation-focused university. The spirit of innovation has been at the core of our endeavors, guiding us to new frontiers and shaping the very essence of our academic community.

Innovation is more than a buzzword for us; it is a guiding principle that permeates every aspect of our institution. Innovation is the driving force that propels us forward from our curriculum design to research initiatives, from our faculty's collaborative endeavors to our students' creative pursuits.

Our commitment to fostering a culture of innovation has yielded tangible results. The groundbreaking research projects, the development of cutting-edge technologies, and the entrepreneurial initiatives emerging from our university are a testament to the transformative power of innovative thinking.

In the realm of academics, we continue to push boundaries by introducing pioneering programs that align with emerging trends and industry demands. Our faculty, known for their expertise and innovative teaching methods, play a pivotal role in inspiring the next generation of innovators.

The collaborative and interdisciplinary approach we champion has fostered a rich ecosystem where ideas flourish. Research centers and labs buzz with activity, providing fertile ground for the germination of novel concepts that have the potential to redefine the academic landscape.Our commitment to

innovation extends beyond the confines of our campus. Engaging with industry partners, fostering collaborations with other academic institutions, and actively participating in the innovation ecosystem are all part of our broader strategy to make a meaningful impact on society.

As we chart our course forward, let us carry the spirit of innovation with us. Let it guide our efforts, inspire our pursuits, and shape our vision for the future. The challenges we face are opportunities for creative solutions, and I am confident that our commitment to innovation will propel us to even greater heights.

ABOUT THE
UNIVERSITY

Introduction

Ajeenkya DY Patil University (ADYPU) stands as a beacon for higher education in India. Established in 2015 under the Maharashtra Government Act, our university holds a unique mission—to cultivate an innovation-driven Indian society. Situated in Pune, often referred to as the 'Oxford of the East' for its educational prominence, our sprawling 100-acre campus provides a conducive environment for academic growth.
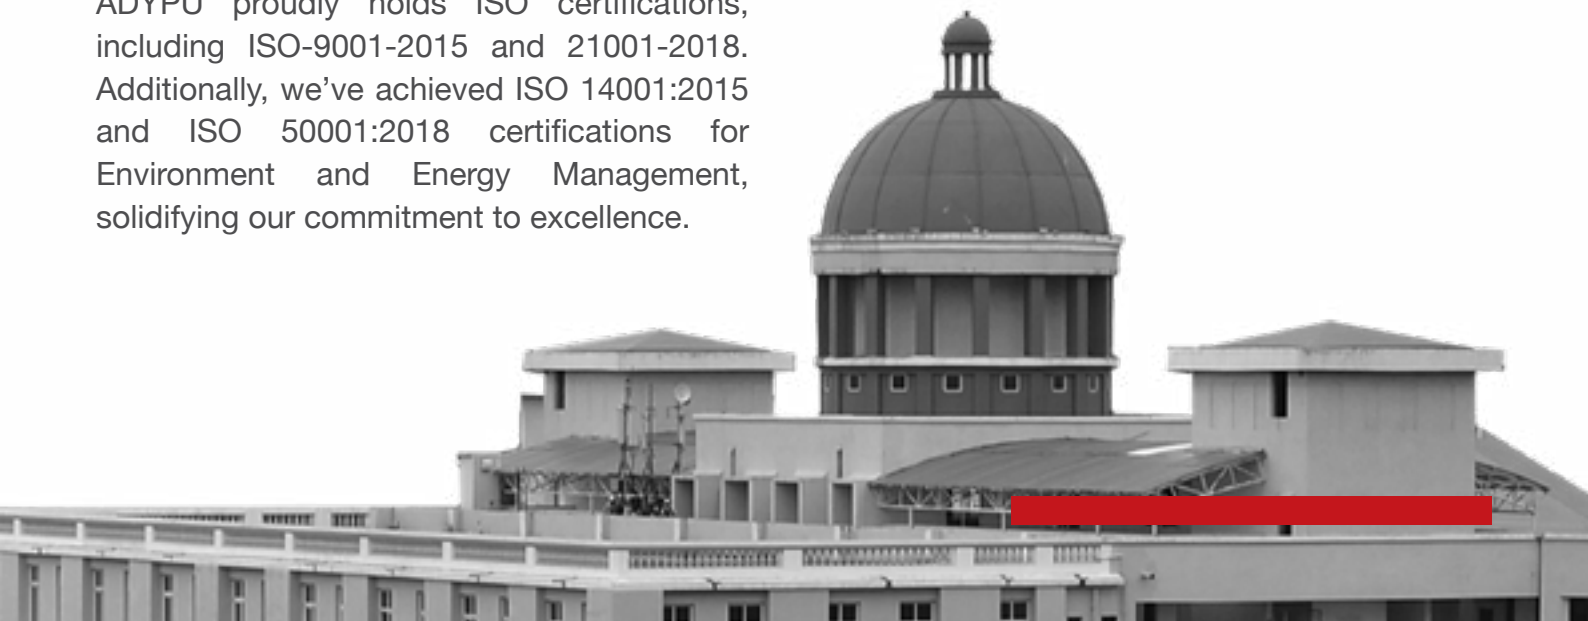

ADYPU's distinguished curriculum boasts an impressive array of 28 courses and 76 specializations, forging robust connections with 17 international partner universities. This global network not only propels academic brilliance but also equips our students with a competitive edge on the world stage. Our offerings span undergraduate, postgraduate, and doctoral programs, encompassing Architecture, Business, Engineering, Hospitality, Technology, Design, Film and Media, Law, and Liberal Arts.

Ranked among the top 50 universities in the Times Higher Education impact ranking, ADYPU proudly holds ISO certifications, including ISO-9001-2015 and 21001-2018. Additionally, we've achieved ISO 14001:2015 and ISO 50001:2018 certifications for Environment and Energy Management, solidifying our commitment to excellence.

At ADYPU, we foster a dynamic student experience that blends theory with practical application. Graduates from our programs emerge as agile, work-ready professionals, adept at critical thinking and armed with innovative solutions. Guided by a dedicated faculty and supported by top-notch facilities and world-class infrastructure, our undergraduate and postgraduate programs excel in unique domains.

Innovation is not just a fancy word for us; it's a fundamental part of how we do things here. We're good at adapting to new ideas both inside the university and in what we offer making sure the learning experience keeps moving forward.

As a university with a clear purpose, ADYPU is dedicated to helping students explore different areas of knowledge. Our goal is to help students become someone who looks to the future, thinks deeply, and makes a positive impact. ADYPU isn't just a university; it's like a spark that transforms things, helping each student start a journey of learning that lasts a lifetime and makes a real difference in the world.

VISSION **MISSION**

Vision

To equip students to confront the uncertain challenges presented by a fast-changing and intricate world. We strive to achieve this by offering experiential programs, integrating modern technologies, and fostering entrepreneurial thinking. Our dedicated faculty and state-of-the-art infrastructure ensure a holistic learning experience. Our constant endeavor is to instill a spirit of innovation, encouraging the development of novel solutions that contribute to the betterment of society.

Mission

To be a transformative university with a quest for excellence through innovation in teaching-learning, research, and entrepreneurship, developing transformative global competencies amongst students for national development.

To cultivate a transformative university community committed to creating a collaborative environment open to the free exchange of ideas, where research, creativity, innovation, and entrepreneurship can flourish, impacting society regionally, nationally, and globally beyond the traditional borders.

SCHOOLS AND PROGRAMS
(POST GRADUATE DIPLOMA, UG, PG & DOCTORAL)

ADYPU proudly offers a diverse range of innovative academic programs through its 7 distinct schools. The schools, namely the School of Design, School of Engineering, School of Management, School of Film and Media, School of Law, School of Information Technology, School of Hotel Management, and School of Liberal Arts, collectively provide a comprehensive educational experience.

Each school at ADYPU is dedicated to delivering a spectrum of academic opportunities. This encompasses undergraduate and postgraduate programs, diploma courses, and shorter-duration certification courses. These offerings are thoughtfully designed to cater to the unique academic and career requirements of our students.

ADYPU is committed to providing a multitude of options for gaining knowledge, earning a degree, and selecting a career path that aligns with the individual aspirations of each student. Our educational programs are crafted to meet the evolving needs and desires of aspiring students, ensuring a holistic and fulfilling learning experience.

School of Architecture

The School of Architecture is a dynamic and innovative institution dedicated to nurturing the next generation of architects and design professionals. With a commitment to excellence in architectural education, the school provides a vibrant learning environment that fosters creativity, critical thinking, and hands-on experience.

Our programs are designed to equip students with the knowledge and skills needed to address contemporary design challenges while also emphasizing sustainability and environmental consciousness. Through a combination of rigorous academic instruction, design studios, industry collaborations, and exposure to the latest technologies, our students are well-prepared to shape the future of architecture and design. The School of Architecture is not just an institution; it's a vibrant community of aspiring architects and designers who are passionate about making a positive impact on the built environment.

School of Design

The School of Design embodies the potential for boundless innovation in the realm of design. We foster flexible and dynamic thinking to empower our students to cultivate ideas capable of influencing the world. Our courses are immersive and hands-on, meticulously crafted to provide students with a unique educational experience that will profoundly alter their perspective on design.

Our design programs are meticulously crafted to cultivate the next generation of visionary designers. With a focus on cutting-edge curriculum, industry collaboration, and state-of-the-art facilities. The School of Design provides an inspiring environment where students can explore, experiment, and excel in various design disciplines.

School of Engineering

At the School of Engineering education is not just a one-size-fits-all approach but a tailored journey designed to meet unique aspirations. At ADYPU, we pride ourselves on providing a dynamic and personalized educational experience, making us a distinguished choice for those who seek to carve their own path in the world.

Our innovative approach to engineering education is characterized by dynamic, project-centered learning that integrates subjects horizontally and vertically. The School of Engineering is dedicated to training graduates who can meet the changing needs of engineering and address real societal issues. This commitment aims to propel India towards a new era of excellence.

School of Film and Media

The School of Film and Media is a dynamic hub for aspiring media, communication, and film professionals. With our dedicated faculty and cutting-edge courses, we foster creativity and competence to prepare students for thriving careers in the ever-evolving media and film industries. In a rapidly changing environment where media and communication are undergoing a paradigm shift, we equip our students to understand, adapt, and lead. Our curriculum integrates theory and practice, addressing the needs of the millennial generation.

School of Hotel Management

The School of Hotel Management highlights our commitment to excellence in hospitality education and this sets us apart. Our school is

uniquely positioned to provide students with an unparalled learning experience that goes beyond conventional boundaries.

The school embodies a commitment to shaping the future of the global hospitality industry. We believe that hospitality is not just a service but an art, and we are determined to nurture the talents and aspirations of our students in this dynamic field. We envision a future where our graduates are recognized as leaders and changemakers in the global hospitality landscape, pushing the boundaries of service excellence and hospitality innovation.

Our mission is to provide a comprehensive and unparalleled education in hospitality management that equips students with the knowledge, skills, and values necessary for success in the dynamic world of hospitality.

School of Liberal Arts

The School of Liberal Arts is a hub of intellectual exploration, critical thinking, and creative expression. Our website is your gateway to discovering the diverse and dynamic world of liberal arts education. Our accomplished faculty members are passionate educators and researchers, dedicated to fostering an engaging and inclusive learning environment.

The school provides opportunities for interdisciplinary study, innovative research, and hands-on experiences that will prepare you for a range of careers and a lifetime of learning.

School of Law

The School of Law holds prestigious recognition as a BCI-accredited institution, making it a preferred choice for legal education in India. We meet BCI's high standards for

academic excellence, infrastructure, and faculty, ensuring our graduates are eligible to practice law in India. Our program offers abundant opportunities for students to extend their education beyond traditional classrooms. Activities like moot court competitions and socially relevant projects expose students to diverse legal environments.

School of Management

At the School of Management, we blend excellence with innovation in education to foster creativity, critical thinking, and a global perspective in our students. In a world marked by globalization, evolving competition, and an interconnected economy, our dynamic learning environment prepares future leaders for the changing business landscape. Our faculty, experts in their fields, are passionate educators who combine academic rigor with practical experience. We offer diverse courses

that adapt to the evolving needs of business, ensuring students are ready to make a meaningful impact in the corporate world.

Doctoral Program

The university's distinguished doctoral programs, where academic excellence converges with innovation, research, and transformative learning experiences offer Ph.D. programs through its Schools of Engineering, Law, Design, Management, Liberal Arts, and Film & Media.

• A total of 20 scholars have enrolled in the Ph.D. program, and among them, 2 scholars have been awarded the ADYPU teaching fellowship.

• Three scholars from the 2019-2020 batch intake have successfully earned their PhD degrees.

Teaching Learning

Our educational system, spanning teaching, learning, and assessment, has been meticulously designed at all stages to equip students with the skills and knowledge necessary for future success, enabling them to seize new opportunities.

We place a strong emphasis on student-centered learning, personal growth, fostering creativity, and intellectual rigor, and enhancing technical competencies to nurture independent thinking and problem-solving skills. Information technology is seamlessly integrated into our courses.

To cater to diverse learner preferences and the specific requirements of each subject, we employ a range of teaching styles, including formal lectures, studio sessions, hands-on laboratory experiments, collaborative teamwork, and innovative problem-solving exercises. We actively encourage interactive and experiential learning through workshops, projects, field trips, and practical lab work. Students actively participate in the creation and testing of prototype designs and undertake projects, many of which originate from industry collaborations through the Innovation Factory.

Our faculty actively engages with students in small group settings and provides personalized one-on-one guidance, fostering individualized responses to assigned tasks. Our teaching and learning processes prioritize research, experimentation, critical analysis, evaluation, and self-assessment, all of which contribute to arriving at optimal solutions for both academic and real-world challenges.

The university prioritizes an enriching teaching-learning environment with its modern infrastructure. It features well-equipped classrooms, laboratories, and ICT technologies aimed at fostering immersive experiences between students and educators. Facilities are designed to meet regulatory standards and support interdisciplinary knowledge sharing across all schools. Classrooms are spacious, furnished for comfort, and strategically equipped with resources tailored to specific disciplines. Additionally, common facilities ensure holistic well-being and accessibility for both faculty and students.

Online Teaching-Learning Facilities

The University has developed a robust IT infrastructure to meet the requirements of online teaching-learning requirements. To enhance the online teaching-learning, the university has designed sophisticated Learning Management Software (LMS) and ADYPU Intranet (ERP) which is integrated through Video-Conferencing Tools like MS Teams, Zoom and Google Meet which provides an opportunity for students to access online learning resources, session plans, curriculum, class schedules, recorded lectures, assignment submissions and assessments.

Knowledge Resource Centre

The university's integrated knowledge resource center offers a vast collection of physical and digital resources, including books, journals, and online databases, to support teaching and research. Accessible digital resources and sophisticated library management software enhance academic learning and research endeavors.

The Knowledge Resource Centre (KRC) aims to empower excellent knowledge resources and to execute innovative services to students, research scholars and for faculty members. We do our utmost best to provide information at the user's location. All departmental libraries on the campus are compiled to provide a sharing platform.

Our collection consists of 37,891 books, specialized journals (national & international) & adequately sized reading area. Our books are wide-ranging from subjects of Law, Management, Liberal Arts, Film Media, Architecture, Engineering, Hotel Management & Design. Additionally, we have a Digital Resource Centre where users can browse online databases such as LEXIS NEXIS India,

EBSCO, IEEE, ADYPU EDGE, DELNET, NDLI, SWAYAM-NPTEL & membership with the British Council Digital Library & so on. We also provide various open-access resources that help to acquire the needed information. KRC is fully Wi-Fi enabled.

KRC uses Koha Integrated Library Management Software and Books are classified by Dewey Decimal classification. KRC provides 24x7 services through Knimbus e-library Remote Access and mLibrary mobile app. It facilitates users to get secure remote access to e-resources with federated search.

A) The British Council Digital Library

The British Council Digital Library has significantly enriched the learning and development ecosystem at ADYPU. With its extensive collection of over 10,000 e-books and audiobooks, nearly 11,000 newspapers and magazines, and a variety of entertainment options, including classic theater plays, movies, and live music concerts, it has become an indispensable resource for students, faculty, and staff. The library's training and self-development resources, including short video tutorials and access to academic

journals, have been particularly beneficial for students preparing for the professional world and researchers seeking trusted academic sources. Additionally, the library's children's content, online events, and workshops contribute to ADYPU's commitment to holistic development from a young age. ADYPU looks forward to further collaboration with the British Council Digital Library to continue enhancing its academic and research environment.

B) KNIMBUS

The library has taken a significant step towards the digital future by partnering with Knimbus, the leading digital library platform. This collaboration brings a host of innovative features to our library, transforming it into a modern, user-friendly, and highly accessible resource hub.

Key Features of Knimbus mLibrary:

Customized Portal & Mobile App: Our library's portal and mobile app can now be personalized with our branding and URL, providing a seamless and familiar experience for our users.

Content Hub: Knimbus mLibrary consolidates all our resources, including subscribed and open-access journals, e-books, databases, multimedia, and more, into one comprehensive platform.

Off-Campus Access: Our students and faculty can now securely access library resources from anywhere, even when they are off-campus, facilitating continuous learning and research.

eCatalog & A-Z List: Knimbus mLibrary provides a comprehensive listing of resources, categorized by subject, publisher, and content type, with a single search box for easy access. Single Sign-On (SSO) & Security: Knimbus

ensures robust security and privacy controls, allowing safe access to digital collections with just one login.

Secure by Design: Centralized control and one login for all digital collections ensure a secure and seamless experience.

Offsite Article Access: 24x7 access to full-text articles for continuous learning and research.

Comprehensive Analytics: Centralized monitoring and reporting for better insights and decision-making.

Integrated Digital Library: A modern UI and mobile app for a seamless experience.

24x7 Access from Anywhere: Cloud architecture enables access to resources anytime, anywhere.

Cost-effective Solution: Knimbus offers a cost-effective solution with a much higher ROI.

Premium Resources: Academic and library systems are integrated, offering curated resources and discovery tools.

Interoperability: Seamless integration with other systems ensures easy access to all content and resources with one login.

Strong Security: Robust security controls prevent unauthorized access and resource abuse.

The library is now poised to serve its academic community better, providing a digital platform that is future-ready, cost-effective, and user-friendly. With Knimbus mLibrary, our library is now a modern, digital resource hub that offers a seamless and enriching experience for our students and faculty.

IEEE Xplore

The University is reaping the benefits of its collaboration with IEEE through the IEEE Proceedings Order Plans (POP). This subscription option provides full-text access to cutting-edge research papers from IEEE conferences, often months in advance of leading journals, offering valuable insights across various technology fields. With the POP, ADYPU researchers can drive new ideas, designs, and applications, develop better solutions faster, increase productivity by reviewing previous research, and accelerate innovation and patent development with convenient access to proven research all in one place. The POP All option offers unlimited, full-text access to all IEEE-sponsored conference proceedings from 2017 onwards, totaling over 1.3 million papers. The partnership with IEEE has significantly enhanced research capabilities, allowing researchers to stay ahead of the technology curve with the latest publications and access a wide range of innovative technologies introduced at IEEE conferences.

IV. EBSCO

The university is enhancing its research capabilities and exposure to scholarly content through EBSCO Academic Search Elite. This subscription includes rigorous curation and indexing of open access (OA) journals, resulting in a growing collection of 6,515 active global OA journals. These journals undergo a validation and certification process for inclusion and are treated with high-quality subject indexing and precise full-text linking.

The Academic Search Elite subscription also provides access to Ahead of Print content for relevant titles from key publishers, ensuring researchers have access to the most current research findings. Additionally, the subscription includes more than 75,000 valuable videos from the Associated Press, providing students with a multimedia approach to research.

One of the key benefits of EBSCO Academic Search Elite is its highest quality subject indexing. EBSCO curates premier scholarly vocabularies covering all disciplines and major publishers, providing researchers at ADYPU with access to a comprehensive and highly regarded collection of scholarly content.

By leveraging the resources provided by EBSCO Academic Search Elite, ADYPU University is strengthening its research capabilities and exposure to scholarly content, supporting the academic and professional development of its students and faculty.

Online Teaching-Learning Facilities

Robust IT infrastructure and software solutions facilitate seamless online teaching-learning experiences. Integrated learning management software and video-conferencing tools provide access to resources, session plans, and assessments, promoting effective remote education.

Support Facilities

The campus ensures essential amenities such as Wi-Fi access, electricity backup, clean drinking water, restroom facilities, and security measures for the safety and convenience of all stakeholders.

Information Technology (IT) Facilities and Policy

A comprehensive IT policy and robust infrastructure support teaching, research, and administrative functions. High-speed internet, cybersecurity measures, enterprise resource planning, and learning management systems ensure efficient operations and personalized learning experiences.

CENTRES OF
EXCELLENCE

Incubation & Entrepreneurship Cell

Overview of EIC Activities for the Academic Year 2022-23

The Entrepreneurship and Innovation Center (EIC) at ADYPU aims to foster a culture of innovation and entrepreneurship across all schools of the university. To achieve this, the EIC has outlined several ambitious goals, objectives, and activity plans.

Activity Plan:

Developing a Social and Industry-Oriented Center: The EIC established an Entrepreneurship and Innovation Incubation Center to benefit society.

The Entrepreneurship Innovation Centre's diverse activities have significantly contributed to fostering innovation, entrepreneurship, and knowledge-sharing within Ajeenkya DY Patil University. The engagements with industry experts, workshops, and webinars have not only enriched the intellectual environment but have also laid the foundation for a vibrant startup ecosystem within the university community.

NATIONAL EDUCATION
POLICY 2020 (NEP)

Incorporating the National Education Policy (NEP) 2020 into the fabric of our university's educational ethos marks a significant milestone in our pursuit of academic excellence and holistic development. NEP 2020 embodies a progressive vision for the transformation of India's education landscape, emphasizing inclusivity, innovation, and multidisciplinary learning. At our university, we have embraced the principles outlined in NEP 2020 as guiding pillars for our educational endeavors.

Key aspects of NEP 2020 that resonate with our university's mission and values include:

Holistic and Multidisciplinary Education: NEP 2020 advocates for a holistic and multidisciplinary approach to education, fostering creativity, critical thinking, and problem-solving skills among students. Our university has prioritized the integration of multidisciplinary learning experiences into our curriculum, ensuring that students receive a well-rounded education that prepares them for the challenges of the 21st century.

Flexible Curricular Structure: NEP 2020 encourages the adoption of a flexible curricular structure that allows students to pursue their interests and passions while acquiring essential knowledge and skills. Our university has implemented innovative curricular frameworks that offer students the freedom to choose from a diverse range of courses and customize their learning pathways according to their aspirations and career goals.

Emphasis on Research and Innovation: NEP 2020 underscores the importance of promoting research and innovation in higher education institutions to drive socio-economic growth and development. Our university has established robust research infrastructure and support systems to facilitate cutting-edge research and innovation across various disciplines. Through interdisciplinary collaborations and industry partnerships, we strive to foster a culture of innovation and entrepreneurship among our students and faculty.

Digital Transformation: NEP 2020 recognizes the transformative potential of digital technologies in enhancing access to quality education and promoting lifelong learning. Our university has embraced digital transformation initiatives to create a technology-enabled learning environment that transcends geographical barriers and empowers learners from diverse backgrounds. From online courses and virtual laboratories to digital libraries and interactive learning platforms, we leverage technology to enrich the teaching-learning experience and expand educational opportunities for all.

Equity and Inclusion: NEP 2020 advocates for promoting equity and inclusion in education by addressing disparities based on gender, socio-economic status, and geographic location. Our university is committed to fostering a diverse and inclusive learning environment where every individual has equal opportunities to thrive and succeed. Through scholarships, financial aid programs, and outreach initiatives, we strive to ensure that education remains accessible and affordable for all segments of society.

In summary, our university's alignment with the principles and goals of NEP 2020 reflects our unwavering commitment to excellence, innovation, and social responsibility in education. As we continue our journey of

academic excellence and transformative change, we remain steadfast in our dedication to realizing the vision of NEP 2020 and shaping the future of education in India.

In addition to our commitment to the National Education Policy (NEP) 2020, our university has made significant strides in its implementation across various schools and programs. Here are the details regarding the implementation of NEP:

• School of Engineering (SOE), School of Law (SOL), School of Architecture (SOA), School of Management (SOM), and School of Humanities and Social Sciences (SOHM): Proposed implementation in the academic year 2024–2025.

• School of Film & Media (SOFM) and School of Design (SOD): Successfully implemented NEP from the academic year 2022–2023.

• School of Liberal Arts (SOLA): Implemented NEP from the academic year 2023–2024 across all five programs of Bachelor of Arts (BA).

These initiatives reflect our university's proactive approach to embracing educational reforms and ensuring that our students benefit from the transformative vision outlined in NEP 2020. Through targeted implementation strategies and collaborative efforts across departments and schools, we are committed to realizing the full potential of NEP 2020 and shaping a future-ready education ecosystem at our university.

TRAINING

CONTROLLER OF EXAMINATION

Ajeenkya DY Patil University being an innovative University has introduced certain credentials in the examination process:

1) Automation of the Question Paper process through ERP to maintain security and confidentiality.

2) Award graduating students during Convocation who have outstanding achievements in areas other than academics during their study program at the University.

3) QR code, student passport size photo, and ABC ID in the transcript.

4) Appointment of Faculty Examination Coordinator from each School.

5) Audit of Assessments for maintaining the sanctity in the process of assessment.

Secured Printing
A document security tool for the ADYPU education sector was adopted.

• 12 security features for transcripts and 15 security features for certificates were introduced.

• Security features along with the software provide hidden text, encrypted information, guilloche design.

The documents are secured with several kinds of threats, forgery, and misuse.

National Academic Depository
• As per guidelines of the Ministry of HRD – Government of India, NAD DigiLocker platform is being used by academic institutions for safekeeping academic awards in Digital Format.

• University successfully uploaded all Degree Certificates on the NAD DigiLocker portal.

• The Digital Certificate contains QR code through which the Certificate can be verified digitally and easily.

• Total transcripts uploaded count in DigiLocker is 6425.

• Total Degree Certificates uploaded in DigiLocker is 2639.

Examination Manual
An examination manual May 2023 is updated and documented for University examination processes and policies.

The manual will serve as a ready reference for the examination office's various functions, operations, and standard formats.

Development in ERP
The following developments have taken place in ERP in last six months:

• End Term Exams Timetable in ERP by AC and visible to Students and Faculties

• Consent Sheet (Major & Minor) in ERP

• For Minors - Course Mapping / Session Plan / Marks & Attendance Entry

• Program Code on Transcript

• Student's Photograph & QR Code on Transcript

- Consolidated Transcript on ERP
  Provision of ON & OFF Credit Registration

- Assignment of Classes to Academic Coordinators

- Lateral Entry CGPA & Credits

- Credit Registration Report (with Date of Registration and Approval)

- Merging of Schools (no partners)

- Marks Entry for any previous/current semester of any student of any school through Admin login.

- Question Paper through ERP

- Evaluation marks in PDF format from ERP

The Central Assessment Processing (CAP)

The Central Assessment Processing (CAP) Centre has brought a pivotal change to ADYPU's evaluation and assessment processes. This centralized activity ensures efficiency, accuracy, security, and fairness in assessments and evaluations. The CAP Centre has several benefits:

Better Security: All faculty members evaluate answer sheets within the CAP Centre, ensuring no one carries them outside for any reason. Invigilators hand over filled answer sheets to specially identified CAP Centre Supervisors during exams. Faculty members are provided with computer kiosks to upload marks into the ERP immediately after evaluation. Restrictions on carrying mobile phones or electronic devices into the CAP Centre ensure a secure environment. Students and faculty members use their login credentials to accept and finalize results after the Consent Process in class.

Enhanced Efficiency: Centralizing assessment processes streamlines operations, reduces redundancies, and minimizes administrative errors. This leads to improved efficiency in conducting assessments, evaluating them, and delivering results promptly.

Improved Accountability: The CAP Centre maintains clear audit trails and accountability mechanisms throughout the assessment process, fostering trust and confidence among stakeholders regarding the integrity and reliability of assessment outcomes.

Collaborative Approach: The CAP Centre collaborates with all schools within the University, providing exposure to faculty members interested in participating in the process. This offers valuable administrative experience in the domain of conducting examinations.

Continuous Improvement: The CAP Centre embraces a culture of continuous improvement by soliciting feedback, conducting evaluations, and implementing enhancements to its processes and systems. This iterative approach enables CAPC to adapt to evolving needs and emerging challenges at the University effectively.

Convocation:

On January 20, 2023, the University held its 7th Convocation Ceremony. A total of 879 students graduated from 54 programs across eight schools of the university. Gold medal recipients received their medals and degrees.

The details are as follows:

Activities & Initiatives:

Riverside Cleanup Drive: The NSS Unit organized a grand drive on Pune City's Mutha River, emphasizing environmental cleanliness. Students actively participated in various activities, highlighting their commitment to the environment.

Legal Aid Camp: The NSS Committee and selected students from the School of Law organized a Legal Aid Camp in Charoli Badhruk (Kalaje-wadi) Village to educate villagers about their legal rights and remedies. The event was a success, promoting social responsibility and leadership skills.

World Water Day - Poster Making on Water Conservation Day: An inter-university poster-making competition was organized on World Water Day. The event showcased creative solutions to real-world water conservation problems, fostering teamwork and communication skills among students.

Oral Health Check-Up: The NSS Unit conducted an oral health check-up for Vishnavi Primary/Secondary School students, promoting oral hygiene. The dental team provided examinations, oral health demonstrations, and distributed toothpaste and brushes.

Blood Donation Camp: Collaborating with Sassoon Hospital Blood Bank, Pune, the NSS Unit organized a blood donation camp at Ajeenkya DY Patil University, with 143 participants contributing to this noble cause.

These activities demonstrate the NSS Unit's commitment to community service, environmental awareness, and holistic student development. The NSS Interim Committee, alongside dedicated students, continues to make impactful contributions.
